## CUSTOM RETRACTABLE BANNERS (FROM \$135)

Stand up and stand out with retractable banners

Announce your presence during trade shows, conferences, events and more with custom retractable banners. With their easy assembly and included carrying case, your event setup (and take down) will take just minutes. Use your custom banner to promote special offers, advertise new products or share a QR code – whatever message you'd like.

Easy to set up & reuse. Single sided

**24"x62" = \$135. 33" x 81" = \$250**

Our roll-up banners come preassembled with everything you need – stand, banner and case – in an assortment of options for your needs and budget. Durable and ready for repeated and long-term indoor use, these banners are a great way to get your brand noticed in busy settings. When assembling, use both hands to pull up

from the center of your banner to avoid damage. And when you're done, simply roll down your banner, pop it in its case and store it for your next event.

At Avalon Mail Center, our student team from University of Central Florida and Valencia College work on projects in marketing, technology and business operations, giving them an unique education and work experience.

In addition, we are all United States Notary Publics, officials who notarize legal documents and who can also administer and take oaths and affirmations for the Florida Governor. **Partner with Us. Come visit us,**
